

CONSTRUCTION OF CIVIL FOUNDATION AND ERECTION OF BSNL MOBILE TOWER AT PANGARI, BHOR, PUNE

Problem:

- The location was in a remote area.
- It was difficult to transport the material as there was no road access.

Solution:

- Prepared proper road access for the tower site.
- We shifted the material on site with the help of additional towing trucks.
- We fabricated and erected the material of the tower.
- Work was challenging to be carried out but we completed it.
